WORLDWIDE AIRPORT
LAW ASSOCIATION

Purposes

WORLDWIDE AIRPORT LAW ASSOCIATION

"Promote the study, research, teaching, and dissemination of Airport Law, airport regulation and Urban Air Mobility Law, in relation to its connected fields such as Infrastructure Law, Transportation Law, and Tourism Law, among others"

WORLDWIDE AIRPORT LAW ASSOCIATION

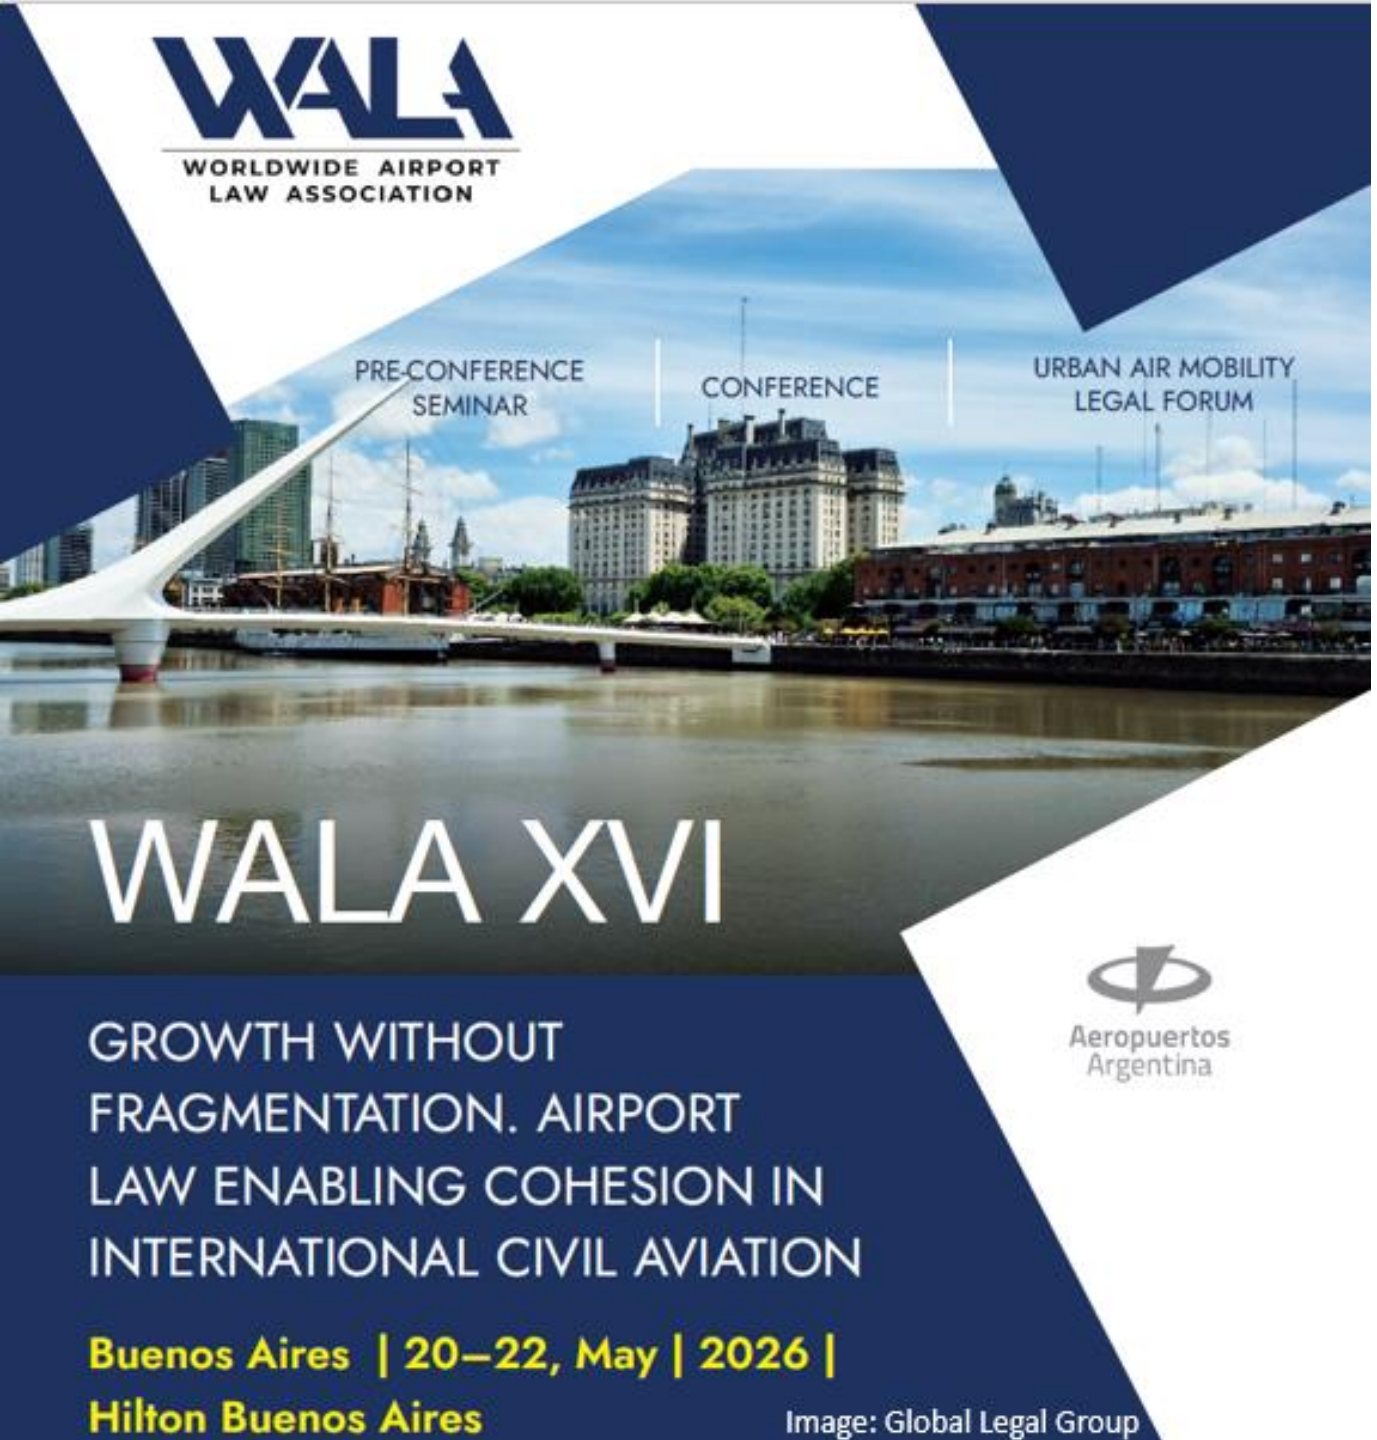

"Foster academic and scientific cooperation among professionals, operators, academics, and public or private entities, at national and international levels"

"Contribute to the legal, institutional, and doctrinal development of regulatory frameworks in different countries"

WORLDWIDE AIRPORT LAW ASSOCIATION

“Serve as a technical and academic advisory body on airport law, airport regulation, urban air mobility law, and related areas”

“Provide expert opinions and/or articulate advocacy positions and/or make presentations before legislators, regulators, or any relevant entity on issues or matters of interest related to WALA’s purposes”.
